

RESOLUTION No. 2022-02

CENTRAL DELTA-MENDOTA REGION MANAGEMENT COMMITTEE

A RESOLUTION PROCLAIMING A LOCAL EMERGENCY, RATIFYING THE GOVERNOR'S PROCLAMATION OF A STATE OF EMERGENCY, AND AUTHORIZING REMOTE TELECONFERENCE MEETINGS OF THE CENTRAL DELTA-MENDOTA REGION MANAGEMENT COMMITTEE FOR THE PERIOD FROM MARCH 24, 2022 TO APRIL 23, 2022 PURSUANT TO BROWN ACT PROVISIONS.

WHEREAS, the CENTRAL DELTA-MENDOTA REGION MANAGEMENT COMMITTEE (“Committee”) is committed to preserving and nurturing public access and participation in meetings of the members Committee; and

WHEREAS, all meetings of the Committee’s legislative bodies are open and public, as required by the Ralph M. Brown Act (Cal. Gov. Code 54950 – 54963), so that any member of the public may attend, participate, and watch the Committee’s legislative bodies conduct their business; and

WHEREAS, the Brown Act, Government Code section 54953(e), makes provisions for remote teleconferencing participation in meetings by members of a legislative body, without compliance with the requirements of Government Code section 54953(b)(3), subject to the existence of certain conditions; and

WHEREAS, a required condition is that a state of emergency is declared by the Governor pursuant to Government Code section 8625, proclaiming the existence of conditions of disaster or of extreme peril to the safety of persons and property within the state caused by conditions as described in Government Code section 8558; and

WHEREAS, a proclamation is made when there is an actual incident, threat of disaster, or extreme peril to the safety of persons and property within the jurisdictions that are within the Committee’s boundaries, caused by natural, technological, or human-caused disasters; and

WHEREAS, it is further required that state or local officials have imposed or recommended measures to promote social distancing, or, the legislative body meeting in person would present imminent risks to the health and safety of attendees; and

WHEREAS, such conditions now exist, specifically, by the Governor's March 4, 2020 Proclamation declaring a State of Emergency throughout the State of California due to the impacts of COVID-19, which is still in effect; and

WHEREAS, allowing all individual members of the Committee and the members of the public to meet in person would present an imminent risk to the health and safety of attendees; and

WHEREAS, the Committee members do hereby find that such conditions has caused, and will continue to cause, conditions of peril to the safety of persons within the boundaries of the Northern & Central Delta-Mendota GSP Region that are likely to be beyond the control of Committee services, personnel, equipment, and facilities, and desires to proclaim a local emergency and ratify the Proclamation of a State Of Emergency by the Governor of the State of California; and

WHEREAS, as a consequence of the local emergency, the Committee members do hereby find that the legislative bodies of the Committee shall conduct their meetings without compliance with

paragraph (3) of subdivision (b) of Government Code section 54953, as authorized by subdivision (e) of section 54953, and that such legislative bodies shall comply with the requirements to provide the public with access to the meetings as prescribed in paragraph (2) of subdivision (e) of section 54953; and

WHEREAS, the Committee shall ensure that the public has the opportunity to participate live in all electronic meetings of the Committee and all its legislative bodies during all public comment periods.

NOW, THEREFORE, the Committee Members of the Central Delta-Mendota Region Management Committee do hereby resolve as follows:

Section 1. Recitals. The Recitals set forth above are true and correct and are incorporated into this Resolution by this reference.

Section 2. Proclamation of Local Emergency. The Committee members hereby proclaim that a local emergency now exists within its boundaries, and full in-person meetings could cause an imminent health risk due to COVID-19 to the Committee members, staff and the public.

Section 3. Ratification of Governor's Proclamation of a State of Emergency. The Committee members hereby ratify the Governor of the State of California's Proclamation of a State of Emergency throughout California, effective as of its issuance date of March 4, 2020, and which is still in effect.

Section 4. Remote Teleconference Meetings. The staff and legislative bodies of the Committee are hereby authorized and directed to take all actions necessary to carry out the intent and purpose of this Resolution including conducting open and public meetings in accordance with Government Code section 54953(e) and other applicable provisions of the Brown Act.

Section 5. Effective Date of Resolution. This Resolution shall take effect immediately upon adoption, and shall be effective until the earlier of (i) April 23, 2022, (ii) such time the Committee members adopt a subsequent resolution in accordance with Government Code section 54953(e)(3) to extend the time during which the legislative bodies of the Committee may continue to teleconference without compliance with paragraph (3) of subdivision (b) of section 54953; or (iii) the expiration, withdrawal, or rescission of the Governor's Proclamation of a State of Emergency dated March 4, 2020.

1. Call to Order/Roll Call

Aaron Barcellos/Pacheco called the meeting to order at 10:02 AM.

2. Committees to Consider Corrections or Additions to the Agenda of Items, as authorized by Government Code Section 54950 et seq.

No corrections or additions were made to the agenda of items.

3. Opportunity for Public Comment

Claire Howard/P&P shared that her last day with P&P will be February 11th.

4. Committees to Review and Take Action on Consent Calendar, Barcellos

- a. Initial Resolution for Remote Teleconference Meetings Pursuant to AB 361 for Next 30 Days
- b. Minutes for the December 16th, 2021 Joint Telephonic Meeting of the Northern and Central Delta-Mendota Region Management Committees and Central Delta-Mendota GSA
- c. Minutes for the January 12th, 2022 Joint Special Telephonic Meeting of the Northern and Central Delta-Mendota Region Management Committees and Central Delta-Mendota GSA
- d. November 2021 Budget to Actual Report

The GSA considered approval of the consent calendar as presented. Maria Encinas/Patterson provided the motion for the Northern Management Committee and Anthea Hansen/DPWD&OFWD seconded. The Northern Management Committee voted by roll call; the motion was passed unanimously by those present. Augie Ramirez/Fresno provided the motion for the Central Management Committee and Steve Stadler/SLWD seconded. The Central Management Committee voted by roll call; the motion was passed unanimously by those present.

5. Committees to Consider Approval of the Fiscal Year 2023 SGMA Services Activity Agreement Budgets for the Northern and Central Delta-Mendota GSAs, Brodie

John Brodie/SLDMWA noted that with Claire Howard's departure, SLDMWA is seeking options to fill her staff augmentation roll for the Northern and Central Management Committees as well as the Coordination Committee within the Fiscal Year 2023 budget. John noted that the presented budget includes the higher cost estimate received for this role support, so this budget has a higher total than versions previously reviewed. John and Joyce Machado/SLDMWA provided an overview of other categories within the budget, including the placeholder section for the DWR response to comments process, reserve category for the Five-Year GSP Update, and the positive fund balance reflected from the Fiscal Year 2022 expenses. Joyce also noted the positive fund balance reflects categories from the past budget that are grant reimbursable. John noted that future grants will use special project agreements to more easily track participating agencies, budget status, and cost flow.

Each Management Committee provided approval for the presented Fiscal Year 2023 budgets for their respective funds. Bobby Pierce provided the motion for the Northern Management Committee for Fund 64 and Anthea Hansen/DPWD&OFWD seconded. The Northern

Management Committee voted by roll call; the motion was passed unanimously by those present. Steve Stadler/SLWD provided the motion for the Central Management Committee for Fund 65 and Amy Montgomery/SNCWD seconded. The Central Management Committee voted by roll call; the motion was passed unanimously by those present.

6. **Committees to Consider Directing Northern and Central Delta-Mendota Region Representatives to the Delta-Mendota Subbasin Coordination Committee to Approve the Fiscal Year 2023 SGMA Coordinated Cost-Share Activity Agreement Budget, Brodie**

John Brodie/SLDMWA and Joyce Machado/SLDMWA also provided an overview of the coordinated budget for Fund 63, and noted that the Coordination Committee will consider approval of this budget during their meeting on February 8th. Bobby Pierce provided the motion for the Northern Management Committee and Maria Encinas/Patterson seconded. The Northern Management Committee voted by roll call; the motion was passed unanimously by those present. Augie Ramirez/Fresno provided the motion for the Central Management Committee and Amy Montgomery/SNCWD seconded. The Central Management Committee voted by roll call; the motion was passed unanimously by those present.

7. **GSP Group Representatives Report from Subbasin Coordination Committee Meeting on January 18th, 2022, Hurley/Lucchesi**

Chase Hurley/Pacheco, Vince Lucchesi/PID, and John Brodie/SLDMWA shared recent updates from the Coordination Committee, including progress on the SGMA Round 1 application development, approval of budget adjustments and a grant agreement amendment for the Subbasin's ongoing Proposition 1/68 grant, and discussion of the Water Year 2021 Annual Report development.

8. **Committees to Discuss DWR Letter on Delta-Mendota Subbasin GSPs, Brodie**

John Brodie/SLDMWA noted that the Subbasin received its Determination Letter from DWR on the Subbasin's six coordinated GSPs on January 21st. Anona Dutton/EKI provided a detailed review of the content of the Letter and the response process; the response must be submitted to DWR within 180 days of the Letter release. The Committees discussed their intent to share with DWR past recommendations the Subbasin received with regard to Subbasin coordination and technical approaches for sustainable management criteria across the Subbasin's six GSPs and 23 GSAs. John noted that he has reached out to DWR staff to schedule a meeting in mid-February to review the Letter and options for the Subbasin's response.

9. **Committees to Discuss Potential Additional Funding Opportunities, Brodie**

John Brodie/SLDMWA referenced the list of potential funding opportunities included in the meeting materials and requested that Committee members contact him with any questions.

10. **Well Permit Review Process, Howard/County Representatives**

Claire Howard/P&P provided a brief update on recent well permitting developments. The Merced County Board of Supervisors met on January 25th to discuss proposed changes to their well permitting ordinance. This meeting provided clarifications regarding the ordinance changes including: the ordinance will not direct GSAs to conduct CEQA or take on lead agency role, GSAs are to provide consistency determination with their respective GSP for new well requests and, if adopted during the next Board meeting on February 8th, the new well ordinance will become effective May 1st. A primary focus of the meeting included acknowledgement by County staff and the Board of Supervisors regarding the increased level of effort for GSAs to review and process new well permits and provide consistency determinations with their GSP. Jessica

Johnson/BMJ also noted that the Board meeting included a recommendation that individual GSAs seek legal input regarding the well permit review process.

Claire also noted that the McMullin Area GSA (MAGSA) has a well registration policy that requires all wells be registered as of January 1st. This policy is effective for all wells designed to produce more than 2 acre-feet per year. The policy also requires all wells be outfitted with compliant electromagnetic flow metering devices on or before January 31st, 2025.

The Merced County proposed ordinance changes and MAGSA well registration policy will be shared for the Committees' reference following the meeting.

- II. **Committees to Discuss 2022 GSP Implementation**
 - a. **Three-Month Look-Ahead Schedule, Dutton**
 - b. **GSP Implementation Tracking Tools, Dutton**
 - c. **GSP Implementation Monitoring Activities and Status, Dumas**
 - d. **Inter-Connected Surface Water Monitoring Network Development, Dumas**
 - e. **WY 2021 Annual Report, Dumas**

Anona Dutton/EKI and Leslie Dumas/W&C provided brief updates on GSP implementation activities. Additional follow-up will be conducted with individual agencies to collect information for the Water Year 2021 Annual Report development as needed. The three-month look-ahead schedule will be shared with the Committees for reference following the meeting. Leslie provided a reminder regarding the upcoming spring water level monitoring.

12. **Committees to Discuss Special Projects**
 - a. **Well Census and Inventory Project, Howard/O'Leary**

The Northern and Central Regions' well census and inventory report has been shared with the GSAs for reference. Data from this project were shared with the GSI Environmental Inc. team to support their subsidence characterization study.

- b. **Subbasin Subsidence Characterization Study and Project Feasibility Determination, Brodie**

John Brodie/SLDMWA reminded the Committee that a special Technical Working Group and Coordination Committee meeting is scheduled for Friday, January 28th during which the GSI Environmental Inc. team will provide a presentation on the subsidence study status.

13. **Next Steps**

- The Committees approved the presented Fiscal Year 2023 budgets for Funds 64 and 65, and provided approval for the Northern and Central Region representatives to the Coordination Committee to approve Fund 63.
- A meeting will be held between Subbasin representatives and DWR staff to review the recently released DWR determination letter.
- Information on proposed changes to the Merced County well permitting ordinance and the MAGSA well registration policy will be shared after the meeting.
- The three-month look-ahead schedule will be shared with the Committees for reference following the meeting.

14. **Reports Pursuant to Government Code Section 54954.2(a)(3)**

1. Call to Order/Roll Call

Aaron Barcellos/Pacheco called the meeting to order at 10:01 AM.

2. Committees to Consider Corrections or Additions to the Agenda of Items, as authorized by Government Code Section 54950 et seq.

No corrections or additions were made to the agenda of items.

3. **Opportunity for Public Comment**

Amy Montgomery/SNCWD inquired whether this meeting would include a status report on budget to actual, and John Brodie/SLDMWA responded that there is no budget update at this time. No other public comment was shared.

4. **Committees to Review and Take Action on Consent Calendar, Barcellos**

- a. **Minutes for the January 27th, 2022 Joint Telephonic Meeting of the Northern and Central Delta-Mendota Region Management Committees and Central Delta-Mendota GSA**

A quorum for the Northern Delta-Mendota Management Committee was not present, therefore the consent calendar item was not considered, and will be considered at the next Committees meeting.

5. **Central Delta-Mendota Management Committee to Consider Taking Action to Appoint the Secretary for the Central Delta-Mendota Management Committee, Brodie**

John Brodie noted that with Claire Howard's departure, the role of Secretary for the Central Delta-Mendota Management Committee is vacant, and referenced the memorandum included in the meeting materials. Aaron Barcellos/Pacheco inquired whether this is a role that John Brodie can fill. John Brodie responds affirmatively. Aaron Barcellos provided the motion for the Central Management Committee to approve John Brodie as the Secretary and Amy Montgomery seconded. The Central Management Committee voted by roll call; the motion was passed unanimously by those present.

6. **GSP Group Representatives Reports from Subbasin Technical Working Group & Coordination Committee Meeting on January 28th, 2022 and Subbasin Coordination Committee Meeting on February 8th, 2022, Hurley/Lucchesi**

Vince Lucchesi/PID and John Brodie shared recent updates from the Coordination Committee meetings. Key topics during the Subbasin Coordination Committee meeting were to rank projects for inclusion in the SGM Round 1 Spending Plan and to prepare for the meeting with DWR regarding its Incomplete Determination on the Subbasin GSPs.

7. **Committees to Discuss Meeting with DWR on February 18th, 2022 re Incomplete Determination on Delta-Mendota Subbasin GSPs, Brodie**

Vince Lucchesi reported that the meeting with DWR was relatively brief, and the overall tone and advice from DWR was to provide more detail regarding conclusions and coordination among the GSPs. Leslie Dumas/W&C added that the first DWR meeting focused on Deficiencies 1 (Review of Data and Methodologies) and 4 (Management Areas) identified by DWR. The upcoming meeting with DWR on March 7th, 2022 will seek to address Deficiencies 2 (Need for Common Definitions of Undesirable Results) and 3 (Sustainable Management Criteria not Set According to SGMA Regulations) identified by DWR. She noted that each of the six Subbasin GSP groups has an assignment to prepare for the next meeting with DWR.

8. **Committees to Discuss SGMA Round 1 Implementation Funding Application, Brodie**

John Brodie noted the team is on track to submit the grant application on February 25th, 2022. There are a few outstanding agency resolutions which will be noted in the application and submitted to DWR when they are adopted and available.

9. **Committees to Discuss Potential Additional Funding Opportunities, Brodie**

John Brodie referenced the list of potential funding opportunities included in the meeting materials and noted the Multi-Benefit Land Repurposing Program which may be relevant for local groundwater recharge projects.

10. **Well Permit Review Process, Brodie**

John Brodie noted that the draft red-line ordinance considered by the Merced County Board of Supervisors on January 25th, 2022, and the Rules and Regulations recently adopted by the McMullen Area Groundwater Sustainability Agency in October 2021 are included in the meeting materials.

11. **Committees to Discuss 2022 GSP Implementation**

- a. **Three-Month Look-Ahead Schedule, Dutton**
- b. **GSP Implementation Tracking Tools, Dutton**
- c. **GSP Implementation Monitoring Activities and Status, Dumas**
- d. **Inter-Connected Surface Water Monitoring Network Development, Dumas**
- e. **WY 2021 Annual Report, Dumas**

Anona Dutton/EKI and Leslie Dumas provided brief updates on GSP implementation activities. Anona Dutton noted the significant activity level in the near future. She reviewed the FY 2022 accomplishments by the Northern and Central Regions and objectives for FY 2023 and she reminded the Committees that it will be important to demonstrate significant progress in GSP implementation in the 5-year Update. Leslie Dumas noted that the inter-connected surface water monitoring wells are included as a component of the SGM Round 1 grant application. Leslie Dumas also provided a reminder regarding the upcoming spring water level monitoring. Additional follow-up will be conducted with individual GSP groups to provide information for the Water Year 2021 Annual Report development as needed.

12. **Committees to Discuss Special Projects**

- a. **Well Census and Inventory Project, Brodie**

The Northern and Central Regions' Well Census and Inventory Report has been shared with the GSAs. Data from this project were shared with the GSI Environmental Inc. team to support their subsidence characterization study. This project is complete.

- b. **Subbasin Subsidence Characterization Study and Project Feasibility Determination, Brodie**

John Brodie stated that GSI Environmental Inc. expects to issue a draft of the Subbasin Characterization Study and Project Feasibility Study Determination Report within the next two business days. To maintain the required schedule for completion of this project, he would like to receive comments on the draft report by February 28th, 2022.

13. **Next Steps**

- John Brodie will circulate a Doodle poll regarding a potential change in date of March Committees meeting.
- The draft Subbasin Characterization Study and Project Feasibility Study Determination Report will be available for review shortly.
- The SGM Round 1 grant application will be submitted to DWR via ftp access no later than February 28th, 2022, with some resolutions to follow when available.
- The item on the Consent Calendar which was not considered in this meeting will be retained for consideration at the March 2022 meeting.

- A budget-to-actual report will be prepared for review at the March 2022 meeting.

14. Reports Pursuant to Government Code Section 54954.2(a)(3)

No topics were discussed under this item.

15. Future Meetings

John Brodie has received a summons for jury duty during the week of March 21st, 2022. The next Management Committees meeting may need to be facilitated by another participant or potentially rescheduled to March 31, 2022. John will send a Doodle poll to solicit feedback regarding availability of Committee members for both dates in March.

- a. Thursday March 24th, 2022 or March 31st at 10:00 AM
- b. Thursday April 28th, 2022 at 10:00 AM
- c. Thursday May 26th, 2022 at 10:00 AM

16. Conference with Legal Counsel – Existing Litigation

The Committees will meet in closed session to confer with legal counsel pursuant to Paragraph (1), Subdivision (d) of Government Code Section 54956.9.

MEMORANDUM

TO: Northern and Central Delta-Mendota Region Management Committees
Members and Alternates

FROM: John Brodie, Water Resources Program Manager

DATE: March 22, 2022

RE: Draft WY 2021 Annual Report and Draft Final Report for Subsidence
Characterization and Project Feasibility Determination

BACKGROUND

The Annual Report for the previous water year must be submitted to the California Department of Water Resources (DWR) annually no later than April 1 as a requirement for compliance with the Sustainable Groundwater Management Act (SGMA). Links to the drafts of the Annual Report and associated Memo for the Northern and Central Management Committees were distributed to Committee members under attorney-client protection and have been available for review and comments since March 4, 2022. Comments were accepted until close of business March 18, 2022.

The final project for the Proposition 68 SGMA Implementation Grant funding was to conduct a Subsidence Characterization and Project Feasibility Determination (Study). Work on the Study began approximately one year ago. A user name and password for an ftp site to download the draft final report and its components were distributed to Northern and Central Management Committee members and Coordination Committee members under attorney-client protection also on March 4, 2022. Comments on this draft report were also being accepted on March 18, 2022.

ISSUES FOR DECISION

The Northern and Central Management Committees must determine whether to approve the draft WY 2021 Annual Report for the SGMA Program and the draft final report for the Study. The deadline for submission of the Annual report is April 1, 2022. Similarly, all funding for the Study ends April 30, 2022.

RECOMMENDATION

Staff recommends the following:

The Northern and Central Management Committees approve the draft WY 2021 Annual Report and direct its representatives to the Coordination Committee to support approval at a March 28, 2022 Special Coordination Committee meeting.

The Northern and Central Management Committees approve the draft Study and direct its representatives to the Coordination Committee to support approval at a March 28, 2022 Special Coordination Committee meeting.

ANALYSIS

Approval for both documents is needed at the Coordination level. The draft WY 2021 Annual Report must be submitted to DWR via the SGAM Portal on or before April 1, 2022.

The draft Study must be submitted to DWR as a deliverable under that task of the Proposition 68 SGMA Implementation Grant. Per the amended grant agreement, all reimbursement-eligible work on the grant must stop on or before April 30, 2022.

BUDGET

Expenses for the WY 2021 Annual report are included in the Annual Budgets for both the Northern and Central Management Committees and at the Coordination level.

Study expenses are included as part of the grant agreement with DWR. Provided an approved final report in the form of a Study is submitted as required under the amended grant agreement, costs incurred to complete the Study will be reimbursed. All work on the project must end on or before April 30, 2022.

Multi-Benefit Land Repurposing Program. The Department of Conservation will award up to five regional block grants to identify, prioritize, and implement regionally appropriate land repurposing projects and strategies in critically overdrafted subbasins. Deadline 4/1/2022.

FY 2022 WaterSMART Drought Contingency Planning Grants. Up to \$200,000 is available per applicant from USBR for the development or update of drought contingency plans. Funding for projects that improve water supply reliability and improve water management through the use of expanded technologies and improved modeling. 50% cost share required. Deadline 4/14/2022

Fisheries Restoration Grant Program \$14 million total available from CA Dept. of Fish and Wildlife for projects that lead to process-based restoration, enhancement, or protection of anadromous salmonid habitat. Deadline 4/15/2022.

Small-scale Water Efficiency Program (SWEP) Up to \$100,000 per applicant through the USBR's WaterSMART Program for projects that can be completed within two years. The program targets small, on-the-ground projects in the west that conserve, better manage, or use water more efficiently. 50% cost share is required. Deadline 4/28/2022.

IRWM Proposition 1 Round 2. Comments will be accepted on draft solicitation documents until 2/18/2022. An April deadline is anticipated. There is \$955,000 in funding for the San Joaquin River Funding area, no set amount for the Tulare Kern Funding area. Deadlines will be set when the final guidelines are released, likely in April, 2022. The earliest proposal deadlines in the initial discussions by DWR are late summer into the fall of 2022.

Fertilizer Research and Education Program, CA Dept. of Food and Agriculture. Total of \$225,000 available for projects on: improving input management, understanding plant-soil processes, and evaluating loss pathways. They are focused on nutrients in general with nitrogen/nitrates as a particular focus. It is a rolling deadline with funding awarded as projects are approved.
